The Director's Address to the Students & Guardians

Mrinmoy Dutta
M.A. (English)

“Let's unlock”

Came World War I. Then came the second. The USA bombed Hiroshima and Nagasaki. Japan went on to become a developed country. The whole world came out stronger by and by and there was progress everywhere.

Plague came. So came Spanish Flu, SARS, Ebola etc. Mankind fought back with even greater force and came out victorious.

Now, it is the turn of Corona virus (COVID – 19) to terrorize the whole world. People have by now understood, “ Every adversity, every problem carries with it the seed of an equal or greater benefit.”

Dear students, it is the perfect time to look for greater opportunities. It is surely not the time to lay back and discuss fear only. The ever increasing role of technology in our day to day lives is an unavoidable reality. People don't have any choice but to learn the virtual, the digital, inside out. We have surely the choice to create a fine balance between the digital and the physical. The future of mankind is largely dependent on this very endeavour.

Arunodoi Academy started conducting online classes (during the country wide lockdown) even before the govt. announcement. This is a good reflection of our visionary leadership, openness to suggestions and adaptability to changes around us. The way our teachers conducted the regular online classes (following a daily routine) and the officers managed the new found system were simply outstanding. We took every possible step to confirm that the teachers are paid in full and of course on time (our culture is to disburse salary on the last day of every month) during the three affected months of lockdown. A world record is set (possibly) without our knowledge. We simply love doing it and of course thanks to the high level of financial discipline we maintain throughout. I do recollect the great saying here, ‘When the going gets tough, the tough get going.’

I call upon the guardians to feel free to visit our academy as per their convenience or whenever the occasion demands. I always look forward to their suggestions for the betterment of our institution in general and the students in particular.

I am thankful to Assam Higher Secondary Education Council for granting Arunodoi Academy the status of a Recognised Institution. I am thankful to the Government of Assam for giving us the required permission to run the Institution.

I finally invoke the Almighty to give us strength and Knowledge to serve Arunodoi Academy and the society at large with complete dedication and devotion.

From the Desk of the Principal ...

The whole world is looking for a medicine. Life is slowly coming back to near normalcy. Here is Arunodoi Academy all set to welcome the newcomers, the students of class XI. I have a gut feeling that the world will soon be a better place to live in, to grow and to prosper. Dear students, let's remain positive and concentrate on the things we are best at.

Arunodoi Academy at Amguri is a well known and popular name in the field of education. We have been very consistent in producing quality results in the last 12 years. As we all know that consistency over time is trust. It is very natural that parents and guardians love to send their children to our academy without hesitation. We stand committed to impart value and knowledge based quality education to all our students.

The infrastructure and other required facilities available in the academy are of real high standard. The bimonthly terminal examinations, class tests and viva sessions surely give the students the opportunity for preparation and thus boosting their confidence to face the bigger examinations.

I call upon the guardians to take an active part in their children's education. They are expected to be patient, more careful and hungry for knowledge to be in line with the constant demands of change and technological advancements. They can thus monitor and study the behavior and activities of their children in the most appropriate way.

The students of our academy feel comfortable and confident to study within a professional and transparent system. The involvement of the students with the institution and a strong sense of ownership contribute a long way to make Arunodoi Academy "Big and Beautiful".

Best Wishes

Arunodoi Academic and Socio-Cultural Development Society (AASDS) :

Arunodoi Academic and Socio Cultural development Society (AASDS) is a non-profit making society registered under the Societies Registration ACT XXI of 1860 (Registration No.: JOR/238/C/08 of 2006). It was founded in Jorhat in the year 2006. Arunodoi Academy at Amguri is conceived and groomed with selfless dedication and honesty by the founder members of the society with the able support of all concerned. The members have the courage and determination to ignore the short-sighted interests and gains for the bigger and greater cause of running a quality institution.

Arunodoi Academy Complex :

Welcome to the brand new Arunodoi Academy Complex. The Academy is placed at ward no-10, Amguri Town. The peaceful and healthy environment of our Academy is a real delight.

Academy Bus Service from Lahdoigarh, Kakojan, Teok, Jhanji, Nakachari, Halwating, Borshilla, Namti & Gaurisagar :

Arunodoi Academy Complex is hardly nine hundred metres from Amguri Town Chariali. The distance can be easily covered on foot or by rickshaw. School bus service is available for the students. The School bus covers the distance from Lahdoigarh to Academy Complex and Nakachari, Halwating, Borshilla, Namti and Gaurisagar to Academy Complex.

Streams Covered :

Arunodoi Academy covers Science, Arts and Commerce streams in 10+2 standard. The academy is looking forward to use modern teaching methods to make sure that the students learn effectively.

Course Objective

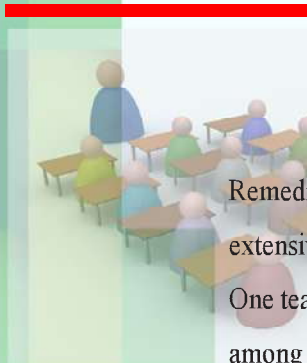

Arunodoi Academy will follow the latest curriculum designed by the Assam Higher Secondary Education Council, Guwahati. However a must needed coordination will be set up with the CBSE and ICSE curriculum to make the students enable to prepare for IIT-JEE, NEET, CEE, AFMC, AIIMS etc.

Library

Our academy has a library having a rich collection of books. The students will have access to quality books and also to newspapers, magazines and internet connectivity. They can borrow books producing their library card to the librarian. The academy also arranges for some special collections for those students who are going to appear in different medical and engineering entrance examinations and other competitive examinations. We have subscriptions for popular science magazines like Physics Today, Chemistry Today, Mathematics Today & Biology Today. Students of science stream can have a concrete idea of the latest pattern of questions in different competitive examinations from these magazines.

Remedial Classes

Remedial classes are conducted in the academy for science, arts and commerce streams. We take extensive care of the students separating them on the basis of their performance in periodical exams. One teacher is given responsibility for a group of 8-10 students to do the all important co-ordination among students, teachers and guardians.

Medium of Instruction

The medium of instruction for science stream is English. The students are thus prepared to face different entrance examinations for admission into professional courses and also to pursue higher studies. However, students who prefer to write Biology in Assamese are allowed. The faculties also make sure to explain the topics in Assamese for the students coming from Assamese medium schools.

In Arts and Commerce streams, classes are conducted in both English and Assamese medium in separate classrooms.

Career Counselling Cell :

Our Academy provides free of cost career counselling sessions. These sessions help the students to have access to the various career related information. The objective of this cell is to stimulate young minds to achieve excellence in today's competitive world. This year, the cell conducted the 17th Chemistry Olympiad (State Level, Class IX to XII) successfully in association with the Department of Chemistry, Sivasagar College, Joysagar. Total 172 no. of students from different institutions appeared in the exam. Our Academy has been consistently trying to inspire and motivate the young minds towards different competitive exams. Special classes are arranged to help students preparing for such exams.

Our academy arranges for both Boys & Girls Hostels to accommodate the students. The hostels are run under the supervision of the Academy authority.

Scholarship programme, 2020-21 :

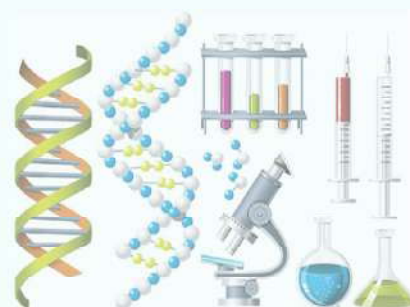

We do have the provision of providing education scholarship to a few bright students. Such talented students donot need to pay admission and monthly fees as the academy bears all these expenses.

Digital Classroom :

Arunodoi Academy is in the process of digitalizing the teaching learning process. We have digital class rooms powered by Smart Class™ Educational. Smart classes in our Academy use all interactive modules like videos and presentations and these visually attractive methods of teaching have become appealing to students. Smart classes have been promoting more interaction between teachers and students.

Laboratory :

The academy has well-equipped laboratories for Physics, Chemistry, Biology and Computer Science. The practical classes are conducted by subject teachers and demonstrators.

Teachers :

Our academy takes immense pride to have a group of highly talented and dedicated teachers with excellent academic background. They will take extensive care of the students.

Vice Principal :

Mr. Debojit Borah, M.Com., is the vice principal of our academy. He will offer his helping hand to the principal in the smooth operation of the academic and administrative affairs of our institution.

Personal Relation Officer (PRO):

The success of an educational institution heavily depends on the effective coordination among students, teachers, and guardians. Mr. Taposh Jyoti Bordoloi, M.A., our PRO, will be responsible to work out this essential coordination. He will also offer his helping hand to confirm total discipline in Arunodoi Academy Complex.

System Manager

Mrs. Priyanka Chetia, M.B.A., is the System Manager of Arunodoi Academy. She is responsible for time bound and effective execution of all the matters concerning our Academy.

Chief Mentor :

Dr. Bidyut Bikash Saikia

Our Canteen :

Two college canteens will provide the students with hygienic and clean food stuff. Students can drink water without hesitation as the supplied drinking water is properly treated.

Hostel :

Our academy arranges for both Boys & Girls Hostels to accommodate the students. The hostels are run under the supervision of the Academy authority.

Social Responsibility :

In Arunodoi Academy, social responsibility is always placed on the front seat. It is the driving force of our 14 years of relentless effort and service. Our social responsibility is not complete only with imparting quality education to our dear students. We always make sure to create a sound working environment inside our campus. We always try our best to win the confidence of our honourable guardians and all concerned. We also care a lot to help the poor and the needy in many different forms. We strongly believe in inclusive growth and are, therefore, always ready to offer our helping hand to the schools, organisations, offices etc. as per our plan and resources.

Rules and Regulations of our academy:

1. Classes will start at 9.15 A.M.
2. The students will have to attend all the practical classes without fail. It is compulsory to wear apron for Chemistry practical.
3. The students must come to the academy in proper uniform. They should also bring identity card every day.
4. Periodical exams will be held in every two months. The students must appear in such examinations and will be penalised if failed to do so without any prior intimation. The guardians are expected to check and sign the progress reports of the students.
5. The academy will arrange guardian meeting in every two months to discuss on the progress report of the students. The suggestions given by the guardians will be highly entertained. A group of teachers also visit the households of the students to ensure quality education.
6. The students will not be allowed to bring motor-cycle, scooter, car, mobile phones and also tobacco materials like gutkha etc. to the academy complex.
7. At least 95% attendance is compulsory to qualify for appearing in all the examinations.
8. If a student fails to attend classes for some genuine reasons, the academy will arrange some special classes.

Arunodoi Academy Annual Sports, Literary and Musical Events :

A good student is always expected to equip himself with all the required skills. Our Academy holds Annual Sports, Literary and Musical Events to give the students a platform to hone their extra - curricular skills.

Educational Trip :

We are committed to take our students to the places of importance as we know that 'seeing is believing'. These trips give the students a really memorable experience.

Students - Teacher group work :

This is a fresh initiative by our institution which helps us to give our students complete individual attention. Here a teacher is given charge of 8-10 students for complete care and guidance.

Committee to take care of absentees & poor performers :

This initiative makes sure that we know the real reason if any student is found absent in classes and fails to perform in the examinations. A committee of five teachers makes calls to the concerned parents for correction and improvement.
