## The Director's Address to the Students & Guardians ...

M.A. (English)

### "A New India"

India is now a very young country. 65% percent of our total population is now below the age of 35. India stands now where America was more than 100 years ago. China enjoyed this power and enthusiasm of the young population some twenty years before . Our wonderful country will now grow and prosper in every field. We will see and meet abundant opportunities across the length and breadth of the country. These opportunities will come for every gender, every community, every tribe, every age group. The only thing that matters the most is whether we are ready to grab the opportunity or not. Are we at the right place or not? Are we with the right people? Are you receiving the right education, skills etc. As we try to answer all these vital questions, the choice for a better school or a better environment for learning becomes very important.

At Arunodoi Academy, we all care to love our students. We work as a team for the betterment of the students everyday. We remain in touch with the parents and visit the households. We treat and treat them as our own children.

We are holding the Co-curricular events alongside the daily classes as per the choice and interest of the students. Our teachers are our strength. They are very caring and dedicated. The strong relationship between our teachers and the students is the backbone of all our success.

The new 'VI to XII' structure will give us sufficient opportunity to train and retrain the young students. The students will find a very good platform here to build character and creative skills. The parents will be happy as they will love the peaceful environment of Arunodoi Academy where the noise of the salesmen selling uniform, books and bags are never heard. Tuition here doesn't mean earning more money at the cost of the students. It is available here in the form of 'doubt clearing sessions' by our own teachers. The positivity all around will surely help the students to think something 'different & intelligent'. Isn't it worth a look? Let's welcome the all new 'National Education Policy' together.

## From the Desk of the Principal ...

Sabita Hatiboruah, M.A. (Sociology)  
Principal, Arunodoi Academy

I welcome you all to the joyful environment of Arunodoi Academy. I sincerely believe that Arunodoi Academy is a ready institution for your VI – XII academic journey, specially in the context of the New Education Policy. The caring teachers here will surely provide you with a pleasant learning experience. The management of the academy is always vigilant to confirm the quality of the institution. The financial discipline of our academy is of the highest order. Naturally, we have a very happy campus.

We offer a wide range of subjects to confirm that the students can choose the subjects as per their own interest. The availability of Science and Computer Labs in our academy are an added advantage. The special attraction of our academy is that the students can raise questions and clear doubts without fear courtesy the friendly behaviour of our adorable teachers. There is no need to do private tuition here. The students can thus save a lot of time to do their own studies and revisions. I am eagerly looking forward to your first class in the campus.

## School Library

Our academy has a library having a rich collection of books. The students will have access to quality books and also to newspapers, magazines and internet connectivity. They can borrow books producing their library card to the librarian. The academy also arranges for some special collections for those students who are going to appear in different medical and engineering entrance examinations and other competitive examinations such as NTSE, Mathematics, Physics, Chemistry olympiads etc. We have subscriptions for popular science magazines like Physics Today, Chemistry Today, Mathematics Today & Biology Today. Students willing to appear in different competitive entrance examinations can thus have a concrete idea of the latest pattern of questions.

## Digital Class-Room

Arunodoi Academy is in the process of digitalizing the teaching learning process. We have digital class rooms powered by Smart Class (TM) Educational. Smart classes in our Academy use all interactive modules like videos and presentations and these visually attractive methods of teaching have become appealing to students. Smart classes have been promoting more interaction between teachers and students.

## Medium of Instruction

The medium of instruction in our academy is both English & Assamese. There are separate classrooms and teachers for both the mediums.

Our academy takes immense pride to have a group of highly talented and dedicated teachers with excellent academic background. They will take extensive care of the students.

## Hostel

Our academy arranges for both Boys & Girls Hostels to accommodate the students. The hostels are run under the supervision of the Academy authority.

### Laboratory:

The academy has well-equipped laboratories for Physics, Chemistry, Biology and Computer Science. The practical classes are conducted by subject - teachers and demonstrators.

### Canteen:

Two college canteens will provide the students with hygienic and clean food stuff. Students can drink water without hesitation as the supplied drinking water is properly treated.

### Career Counselling Cell :

Our Academy provides free of cost career counselling sessions. These sessions help the students to have access to the various career related information. The objective of this cell is to stimulate young minds to achieve excellence in today's competitive world. The cell conducted the 15<sup>th</sup>, 16<sup>th</sup> and 17<sup>th</sup> Chemistry Olympiad (State Level, Class IX to XII) successfully in association with the Department of Chemistry, Sivasagar College, Joysagar in the previous years. Hundreds of students from different institutions appeared in the exam and made it a grand success. Due to the pandemic, this exam could not be held in the last two years. However, our academy has been consistently trying to inspire and motivate the young minds towards different competitive exams. Special classes are arranged to help students preparing for such exams. "I can & I will" is yet another initiative of the academy to ignite the young minds.

### Scholarship Programme, 2024:

*"I Too Have a Dream" is an initiative to provide education scholarship to a few bright students with financial hardship. A scholarship test will be held and selected students do not need to pay admission and monthly fees as the academy bears all these expenses.*

### Arunodoi Academy Annual Sports, Literary and Musical Events :

*A good student is always expected to equip himself with all the required skills. Our Academy holds Annual Sports, Literary and Musical Events to give the students a platform to hone their co - curricular skills.*

### Arunodoi Academy Science & Maths Club, Literary Club, Fine Arts Club and Sports Club :

*To help students grow with all the required skills, our academy has Science & Maths Club, Literary Club, Fine Arts Club and Sports Club. These clubs guide the students with mentorship of specialized persons and provide them with an environment to grow up with their fields of interest and studies parallelly.*

### Educational Trip:

*We are committed to take our students to the places of importance as we know that 'seeing is believing'. These trips give the students a really memorable experience.*

### Students- Teacher group work:

*This is an initiative by our institution which helps us to give our students complete individual attention. Here a teacher is given charge of 8-10 students for complete care and guidance.*

### Committee to take care of absentees & poor performers:

*This initiative makes sure that we know the real reason if any student is found absent in classes and fails to perform in the examinations. A committee consisting of class teacher and the respective group teachers makes calls to the concerned parents for correction and improvement.*

### Our Vice Principal:

*Mr. Debojit Borah, M.Com.*, is the vice principal of our academy. He will offer his helping hand to the principal in the smooth operation of the academic and administrative affairs of our institution.

*Mrs. Mridusmita Devi, M.A.*, is the vice principal of our academy. She will offer her helping hand to the principal primarily in the smooth operation of the academic and administrative affairs of classes VI to X.

### Our Administrative cum Public Relation Officer:

The success of an educational institution heavily depends on the effective coordination among students, teachers, and guardians.

*Mr. Taposh Jyoti Bordoloi, M.A.*, our Administrative cum Public Relation Officer, will be responsible to work out this essential coordination. He is also responsible to confirm total discipline in Arunodoi Academy Complex.

### Our System Manager:
